North Carolina	<p>The North Carolina Division of Motor Vehicles' (DMV) has developed the North Carolina Transportation Notification System (NC TNS). This system is designed to provide subscribers with up to the minute detailed information on any licensed driver within the state of North Carolina. With NC TNS your agency can review driving records for occurrences of convictions, suspensions, disqualifications and points.</p> <p>Benefits of NC TNS are:</p> <ul style="list-style-type: none"> <li>• 24/7 access to driver records</li> <li>• Reports current driver status conditions directly from the DMV State Automatic Driver License System. (SADLS)</li> <li>• DMV Driver Help Desk assistance</li> </ul> <p>Currently, DMV is piloting the system statewide. You may participate in the pilot at no cost to your agency. The end of the pilot program has not been determined and participation is voluntary.</p> <p>To participate in the program you must complete the following steps:</p> <ul style="list-style-type: none"> <li>• Send a written request on company letter head requesting access to the system.</li> <li>• State in the letter reasons why the access is needed.</li> <li>• State what the company/agency will do with the information if it is granted. (Sample Letter is attached)</li> </ul> <p>The letter should be sent to:</p> <p style="padding-left: 40px;">NCDMV – Crash and Bulk Data Management Attention: Security Coordinator 3106 MSC Raleigh, NC 27697-3106</p> <p>Upon approval from the Security Coordinator, a packet containing information about the system you have chosen as well as documents pertinent to setting up your account will be mailed to you.
